The image shows a mobile application dialog box titled "Add PC". At the top left is a red "X" icon, and at the top right is the word "SAVE" in red. Below the title bar, there are two input sections. The first is labeled "PC NAME" and contains a text field with the placeholder "Host name or IP address" and a red "X" icon on the right. The second is labeled "USER ACCOUNT" and contains a dropdown menu. The dropdown menu is open, showing two options: "Ask when required" with a red radio button, and "Add user account" with a grey radio button. A red rounded rectangle highlights the "Add user account" option.
